For the past 20 years, the Museum of Jewish Heritage A Living Memorial to the Holocaust has served as New York's Holocaust Memorial Museum, educating international audiences at its home in Lower Manhattan about Jewish life before, during, and after the Holocaust; honoring victims and survivors; and encouraging visitors—including more than 60,000 schoolchildren a year—to let the painful lessons of the past guide them to envision a world worthy of their futures. For more information, please visit mjhny.org.
